

Vaccinations and Quarantines

If students or staff are considered a close contact of someone with COVID-19, they will quarantine based on these guidelines:

- VACCINATED / BOOSTED INDIVIDUALS:
 - If a staff or student has been boosted OR had two doses of Pfizer or Moderna vaccine within the last 6 months OR had one dose of J&J vaccine within the last 2 months OR if a student was vaccinated more than 6 months ago but is ineligible for a booster:
 - Wear a mask around others for 10 days.
 - Test on day 5, if possible.
 - If symptoms develop, get a test and if positive stay home and follow isolation guidelines.
- UNVACCINATED / UNBOOSTED INDIVIDUALS:
 - If a staff or student has had two doses of Pfizer or Moderna vaccine over 6 months ago and are **not boosted (if eligible)** OR had one dose of J&J over 2 months ago and are **not boosted** OR are **unvaccinated**:
 - Stay home for 5 days. After that, continue to wear a mask around others for 5 additional days.
 - Test on day 5, if possible.
 - If symptoms develop, get a test and if positive stay home and follow isolation guidelines.
- Vaccinated individuals will continue to follow all health and safety and PPE guidelines.
- Vaccinated individuals must follow [Return to Learn](#) guidance when having symptoms and stay home.
