1.0 MOUNTAIN SCHOOLS GAME FEST

- Scheduled for May 6, 2022, and will be all three Mountain Schools together again at CLPMS athletic fields.

2.0 CMAS TESTING

- Starts April 4th.
- Parents do have the option to opt their children out of testing or into full testing this year.

3.0 STAFFING PLAN FOR 2022-2023 SCHOOL YEAR

- Mr. Schachet explained that the Mountain Schools work with a different budget than most schools in town. Most schools use a Student Based Budget, but creating a budget based on student numbers doesn't work in the Mountain Schools because of our small size. So, he had worked with the district regarding the minimum requirements for our schools to function properly and we have a good plan in place with the district.
- Mr. Schachet reviewed with all present the current staffing plan for the 2022-2023 school year. May ask for a part-time Assistant Principal position to be added.
