Fall Festival – Friday, October 29th

Costumes:

- Your student may bring a costume to change into after lunch.
- We ask for costumes to not be bloody, scary, or goory (we would like to be respectful of all ages at the school).
- We also do not allow students to bring any weapons (even if they are toys) that may be associated with the costume.

Treat Bags:

- We will be decorating treat bags as one of our activities during the fall festival, so you do not need to worry about sending your student with an extra bag for treats.

Schedule:

- After lunch we will begin our fall festival activities and will start with decorating our bags, seeing the inside of pumpkins, counting seeds, doing science experiments, etc.
- Change into costumes
- Have a fun parade through the classrooms so each class can see all the great outfits!
- Recess – in our costumes, fun!
- All school fall festival activity
- Nature Trail Candy Tour

Parents:

- **We would love it if you could join us at 2:30 p.m. for the Nature Trail Candy Tour!** (Unfortunately, with COVID protocols, we still can not have parents in the building)
- **We also need donations of candy.** You can send those in with your student all next week or, if you are able to join us for the Nature Trail Candy Tour, you can bring donated candy then.

You are Invited! Nature Trail Candy Tour at 2:30 p.m.

- This is a long standing tradition at Red Feather Lakes Elementary!
- At the end of the day students walk the nature trail and stationed at various points on the trail we have parents/volunteers waiting with candy (almost like trick-or-treating, but mountain style). Students can go around the nature trail as many times as they would like (or until we run out of sweet treats).
- We would love it if you could join us for this awesome tradition! If you can please bring a bag of candy to hand out on the nature trail

Afterschool Programs at the Library

The Red Feather Lakes Community Library is offering afterschool programs again and we are so excited!

Students that sign up for afterschool programs will have the option to ride the bus to the program location. Parents will be responsible for picking students up at the end of the afterschool programs.

It will take a few weeks for the school and the library to coordinate and start dates will be communicated once forms have been received and transportation is verified. The library is tentatively thinking late October/early November.

Detailed information, schedules, and forms can all be found online at

<https://redfeather.colibraries.org/kids-2/>. *Start times below are dependent upon the arrival of the bus to the location.*

- **Tuesday's: Homework and Book Club**, RFL POA, 3:15 p.m. to 4:30 p.m.
- **Wednesday's: GV Art Class**, Gate 8/Glacier View Mountain Meeting Place 3:30 p.m. – 4:30 p.m.
- **Thursday's: Ready Set Go** (STREAM – Science, Reading, Technology, Engineering, Art, and Math), RFL Library and RFL POA, 3:15 p.m. 4:30 p.m.

For your student to participate you must do two things.

- 1. If you want your student to ride the bus to the afterschool program – please fill out this brief form for the school** [Transportation Form to Afterschool Programs](#)
- 2. Fill out the library permission forms and return them to the library.** *Your student will not be able to attend unless the library permission forms are returned to the library. If your student is riding the bus to the afterschool program you must fill out the form above and the library will communicate with us if students have a signed permission form.*
 - We can send forms home in your student's backpack (there is a section to indicate this on the Transportation Form in the link above) and you can return them to the RFL library **OR**
 - Forms can be downloaded/printed online and returned to the RFL Library. Forms can be found at: <https://redfeather.colibraries.org/kids-2/>

Please complete the form for the school and the permission forms for the library as soon as possible. This way we can start these programs asap. Thank you!
