>Bought supplies for goody bags for the kids for the fall festival. If weather is preventing us from playing outside, we could rotate classrooms between the gym and the library for the fun activities.

>How to distribute funds to the teachers (give each teacher a certain amount or do we make each teacher's account have the same balance)

Vice President: Raquel Boler

Treasurer: Jennifer Henderson

Secretary: LaRelle Welborn

Fundraiser Ideas:

Walk-a-thon; each student could get pledges on how many laps they could do. After the walkathon go to the Forks and do an auction. Ideally do it on a Friday afternoon and we would need to hire a few volunteers to watch the students at the school while the auction is taking place.
