

## PTO Budget Meeting Minutes - December 6, 2021

Call to Order: 11:40 am

Attendance: Ashley Johnson, Tom Schachet, Elaine Rankin, Lou Palangi, Kat Jayroe, Shilo Jossart

### Principals Report:

- PSD is asking for feedback on their calendar survey. They are seeking input from students and parents on next year's school calendar.
- Red Feather Elementary is settling into a routine with all of the full time teachers present, and things are going smoothly.
- Covid 19 protocols have increased student absences, but have been effective at keeping the virus from spreading through the schools. Mountain Schools have been lucky to have only a few confirmed positive cases. Parents should reach out to their students' teacher for school work if student absences will be prolonged.
- Mid year testing has begun for students and will continue through the beginning of next year. Report cards will be available in January.

### Mountain Schools Book Fair:

- The PTO originally budgeted \$5 per student to pick out a book. But since this was a true book fair, the prices of each book were much higher. During the November PTO Planning Meeting, it was voted and approved to increase the spending limit per book to \$15. The total for the book order was still under \$400, even with the increased price limit.

### Scholastic Magazine Early Bird Specials:

- Scholastic Magazine offers early bird specials in January. So teachers please let the PTO know your magazine requests when we return from Winter Break.

### Bus Stop Signs:

- The PTO is trying to get the "Bus Stop Ahead" signs updated for our area. We are in the process of figuring out who manages those signs.

Adjourned: 11:52 pm
