## REPORT CARDS ARE NOW AVAILABLE IN PARENTVUE

1<sup>st</sup> Semester Report Cards are available in ParentVue. To view your student's report card please follow the directions below.

### Report Cards Access: Step-by-Step

Report cards are now available in ParentVue on the PSD website.

[psdschools.org](https://psdschools.org) >> Parent tab >> QuickLinks – [ParentVUE](#)

click on the grey box "ParentVUE / StudentVUE Access", then click "I am a Parent"

You will then log into ParentVUE using your username and password. You should have set this up at the beginning of the year when you reviewed and accepted the Student Code of Conduct and/or registered your child. \*

Once logged in, you will select, in the upper left-hand corner, the child for whom you want to view the report card. Then in the left-hand column, select "Report Card". You can choose which semester you want to look at near the top of the page. You may print out the report card by right clicking on this page.

\*IF you do not remember your ParentVUE login information or have never logged into ParentVUE before, please contact your school secretary and she can assist you with this.

IF you prefer a paper copy, please contact your school secretary and they can assist you with this also.

ParentVUE is also a great place to look at your student's attendance and to update your students information.
