# Red Feather Lakes Elementary Valentine Exchange Information

## Important Dates

**Thurs 2/10** Decorating Valentine Bags/Boxes *please provide supplies*

**Fri 2/11** Valentine Exchange/Celebrations

**Mon 2/14** Valentine Bags Sent Home

Dear Parents,

Valentines are optional, but if your student would like to participate in the Valentine exchange, they should bring a Valentine for each of his/her classmates in their homeroom class. Providing Valentine's for the entire student body is optional.

Students will decorate Valentine bags/boxes in class on Thursday 2/10. Your child will need to provide a box or bag to decorate and any special supplies they may want to use (we have some supplies, but not a lot. We also have brown or white paper bags if a kiddo forgets or doesn't bring one in). Students can start bringing in materials any time before or on Thursday 2/10 and we will store them in the library.

Our Valentine celebrations and exchange will be Friday, 2/11. Make sure to bring your Valentines to pass out and wear red/pink to make it more fun! Valentine bags will be sent home on Monday, 2/14. (This allows for a 72-hour safe handling period and for us to follow all COVID protocols).

\*\*\*Parents, please do not have your student write, "To\_\_\_\_" names on the Valentine cards. Please have them just write, "From, Your Student's Name." This will help us with time management during class celebrations. Keeping each Valentine simple and generic will help with our COVID distribution plan. Thank you!
