Registration for kindergarten is now open, [start here.](#)

Kindergarten is an exciting and important first step on your student's educational journey. In PSD, you'll find students are supported in many ways with caring teachers and staff, positive school, and classroom culture, as well as a collaborative, safe and welcoming learning environment.

Kindergarten offers:

- Small class sizes
- Structured, rigorous, play-based curriculum
- Kindergarten is free (all-day and half-day programs)
- Social and emotional learning experiences

Children must be 5 years old on or before Oct. 1, 2022 to be registered for kindergarten in the 2022-23 school year.

The flyer features a large photograph of a young girl with long dark hair, smiling and looking down. In the background, another child wearing a pink face mask is partially visible. The text is overlaid on the image. On the right side, there is a dark blue vertical panel containing the district logo, registration details, a QR code, and the online registration link.

Learning with a smile!

LIVERMORE PTO FUNDRAISER

Including Fun Run Obstacle Course,
Silent Auction, Raffle and an End-of-
the-Year Picnic!

Our PTO is such an amazing group of parents who work hard for our students! They are planning a very fun Spring Fundraiser.

The funds raised are used to support our students by paying for classroom needs, field trips, state testing snacks, classroom holiday parties, school supply needs, ECO Week, School Store and more! This saves us from passing certain costs on to our families.

We encourage you to plan on attending this day of fun activities to help raise funds for our PTO to be able to continue to support our students. The fundraiser will begin 10:00 a.m. and continue into early afternoon on the last day of school. All families, extended families, friends and community members welcome!

Where: Livermore Elementary
