Mountain Schools News

October 7th, 2024

Letter From the Principal

DEAR MOUNTAIN SCHOOLS COMMUNITY,

Fall has arrived at our campuses. The leaves are turning and the weather is wonderful! Don't forget, it won't be warm forever. Please keep an eye on the weather in upcoming weeks and send your students prepared for changing temperatures. We go outside rain or shine (or wind or snow)!

Reflecting on September, our schools had a very busy and eventful month. We are especially grateful to our local fire departments for the quick response to the Pearl Fire near Red Feather. Thank you to all our staff, families, and community for keeping our students safe, being flexible, and working together to support our students under the circumstances.

ATTENDANCE COUNTS: WE CAN HELP!

It's a fact of life – most students miss school sometime during the year. But when absences stack up, it's cause for concern. Don't lose hope – there is help. Our school is ready to support you with resources, assistance, and connections if you are facing barriers to regular attendance. Together, we can work on a plan to support your child. Call/email your school secretary if you have questions about attendance.

PSD ATTENDANCE
POLICIES

On a happy note, the field trips and fun that we are so lucky to be able to offer our students are continuing into October with 4/5 students heading to Eco Week at Camp Timberline, 2/3 students will enjoy a musical at the Lincoln Center, and each school will attend a fall pumpkin patch event! Thank you to our PTO's for making these incredible opportunities possible!

This month teachers will be reaching out to set up conferences. Please continue to read teacher and school newsletters so that we can all be on the same page. We greatly appreciate your input and participation in a strong and reliable communication network.

Wishing you a happy fall!

Warm regards,

PRINCIPAL SCHACHET

tschache@psdschools.org | 970-488-6553

Parents: To Do ✓

WEATHER

Send your students dressed for the weather. We go outside in weather down to 20 degrees. Coats, hats, waterproof gloves, snowpants, and snow boots, are all part of a mountain school student's winter kit. Please let Ms. Kress know if you are in need of winter gear!

ATTENDANCE MATTERS

Please submit attendance via ParentVUE or call the main office at the school. This helps our secretaries to keep track of excused absences.

CONFERENCES

Keep an eye on your email for communications from the classroom teachers to set up Parent Teacher Conferences. These will be scheduled in October.

SCHOOL CHOICE AND KINDER REGISTRATION

School Choice Applications and Kindergarten Online Registration for the 2025/2026 school year will begin on November 4th!

Upcoming Events

Counselors Corner

Ms. Kress is teaching all our students the value of *Kindness* this month. We are handing out Mountain Moolah and looking for students who model *Kindness*.

Star Students!

THANKS FOR BEING
MOUNTAIN SCHOOLS STARS!

BELLA 2/3 LIVERMORE

I want to shout out Bella Umland for always staying on task, helping others whenever she can, and being a model student. Bella works so hard everyday. She is committed to doing her best as a learner, and she is willing to jump in to help out her peers if they need help working through an assignment. Bella has also been practicing her multiplication facts all summer to make sure she was ready for 3rd grade, and it has paid off! That kind of commitment is admirable.

Great job Bella! Keep up the hard work!

Nominated by Mrs. Moreau

RENLEY 2/3 RED FEATHER LAKES

I would like to give a shout out to Renley in my class. Renley has shown a strong work ethic and has had a positive attitude even when things are challenging! Renley is also always so caring about others.

Nominated by Ms. Bright
