Letter From the Principal

DEAR MOUNTAIN SCHOOLS COMMUNITY,

We are off to a wonderful start this school year! It has been inspiring to see our classrooms filled with energy, excitement, and eager learners. I continue to be impressed by the dedication and passion of our teachers, who bring such creativity and care to their work each day. Thanks to their thoughtful preparation and your support, our first weeks have been smooth and successful. We've placed a strong emphasis on building classroom communities, setting clear routines, and creating a positive foundation for the months ahead.

Our Back to School Night events across the three Mountain Schools were a tremendous success! It was wonderful to see so many families in attendance, connecting with teachers and learning about the expectations and opportunities for the year. These evenings help strengthen the important partnership between home and school, and I'm grateful for the time and commitment you've shown to your children's education.

JOIN OUR PTO'S:

Looking ahead, our PTOs are preparing for an exciting year of activities and support for students and staff. Meetings will be taking place in the coming weeks, and there are still opportunities for families to get involved. If you're interested, I encourage you to reach out to your school's PTO leadership. Your involvement, whether big or small, makes a meaningful difference for our schools.

As we move further into the year, I want to thank you once again for your continued trust and support. Together, we will ensure that every student at the Mountain Schools feels safe, valued, and inspired to do their best. I'm excited for all the learning and growth ahead and look forward to sharing many successes with you this school year.

Wishing you all a wonderful start to the new year!
Warm regards,
